Pat,

Mr. Richter does indeed wish to appeal the decision regarding DOPSR Case No. 14-S-0806. Attached is his letter of appeal, submitted electronically March 17.

DIA Prepublication Review wishes to refer the author to you for further assistance given that the decision to retract text is based on Detainee Affairs input. Regarding the CIA review, I will inform the PRB staffer that handled the review about the case status and your role. The CIA case number is PRB 29050-14. POC info. follows:

(b)(3):50 USC 3507;(b)(6)

Mr. Richter has been notified that his request for appeal will be forwarded to DOPSR and will require coordination beyond DoD due to the fact that multiple organizations have equities represented in the submission. Additionally, I hope to provide tomorrow via separate communication a DIA POC to help Mr. Richter acquire a copy of his non-disclosure agreement.

Should you have additional questions, please contact me.

Regards,
